On Sale

Narges Porsandekhial

Funny enough,

I am not a big name in the art world.

But If I were...

Then everything in this book would be up for sale.

An empty page like this:

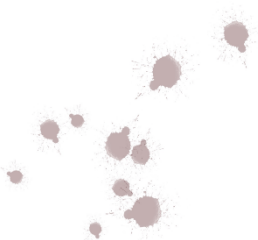
Or a poorly done drawing I asked a stranger to do.

Some rambles I wrote about my loss of identity.

بی‌خانمان و گمشده

Or even this random dot.

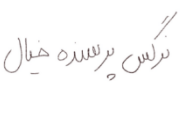
And of course, the stain of my tea.



MMM, let's see...

And why not?

My first name and last name in Persian, which means a daffodil who seeks imagination.



But I'm not a big name in art.

And I'll never be.

But everything I have, is up for sale.

And I'm also up for adoption.
